Pastor E. Doh
A Word From Our Pastor

Sitting In The Pew

I came back home on Saturday from a mission trip in Mississippi. And Sunday morning I came to church for worship. It was a great joy to experience our Sunday worship service not as a preacher but as a guest. It was way more fun and exciting. I truly enjoyed every single moment of our worship, singing hymns, praying, celebration of Kris's 10 years, children's message, gospel storytelling and the message from our lay leaders. I deeply appreciated all the work our lay leaders did for the worship.

And I felt so blessed to know how great church we were. Paul says that the church is "built on the foundation of the apostles and prophets, Christ Jesus himself being the cornerstone" This church Channahon has been built on the blood of Christ and all saints who were here before us and all laity who serve His body with their gifts, time, tears and prayers.

We know many churches after the pandemic have been facing a crisis. Most churches have lost 20-30 % of worship attendance. We also have the same experience. There are some church members, friends and family who are not returning yet for various reasons. We are living in an uncertain time.

But I saw clearly that we have hope and a future. God has not done with us. We still have a lot more things to offer to the world. That's what I witnessed at church, on Laity Sunday.

Blessings,

Pastor Doh

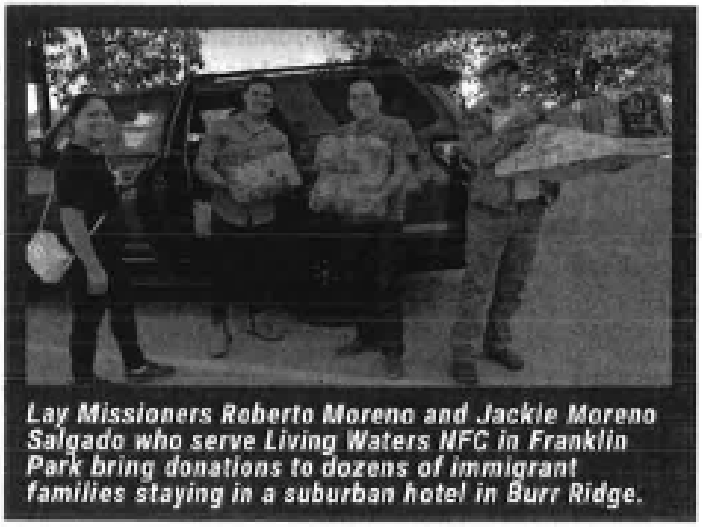
American HOME HEALTH

HELP IMMIGRANTS ARRIVING FROM TEXAS

More than 750 asylum seekers from Central and South America have arrived on buses sent from Texas since Aug. 31, according to the city of Chicago. In collaboration with local, state, and federal agencies, the city of Chicago is taking action to ensure they have access to shelter, food, and other resources.



Lay Missioners Roberto Moreno and Jackie Moreno Salgado who serve Living Waters NFC in Franklin Park bring donations to dozens of immigrant families staying in a suburban hotel in Burr Ridge.

The city expects to receive hundreds more migrants from Texas. Under the direction of Governor Greg Abbott, the Texas Department of Public Safety (DPS), and the Texas National Guard, the Lone Star state has also bused over 8,000 migrants to the nation's capital since April and over 2,200 migrants to New York City since August 5, according to the state's website.

Individuals and families are housed in temporary Chicago shelters and hotels in nearby suburbs.

Immediate donation needs include:

- Small size clothing (especially socks and underwear/sports bras)
- First Aid kits (Band-aids, Bandages, etc)
- Medications for adults and children (e.g. Ibuprofen, Acetaminophen, etc)
- Personal Hygiene items (toiletries, feminine products, etc)
- Duffle Bags/Small Suitcases

See NIC and Chicago Drop offs on the next page

For a more comprehensive list of needed items see these websites:

- *City of Chicago - Chicago.gov/support*
- *World Relief Chicagoland - worldrelief.org/chicagoland/bus-response*
- *Illinois Coalition for Immigrant and Refugee Rights (ICIRR) – download flyer*

Volunteers Needed

Volunteers are needed for donation sorting, distribution, and food service during mealtimes.

ICIRR is coordinating volunteers and requests to register groups of people rather than individuals to limit the number of follow-up contacts needed using a Volunteer Sign Up Form at forms.gle/xH2a8cQSB9eHXAuH8.

The city of Chicago also needs volunteers - see the link at Chicago.gov/support

Legal Assistance
