Prayers, Joys & Gratitude from Sunday, June 16

Prayers for Dottie Priddy as she travels to be with family after death of her sister Barbara in SC, on Sunday morning. NO YOGA this week, June 19.

Sandy Fodero – Prayers for family and friends of Brian McMillan who passed away last Tuesday. He is now out of pain. Prayers for my nephew Jeff Brandt who is still suffering from cancer and struggling to get his strength back after 2 months in the hospital. Prayers for my brother Dennis Randolph, in the hospital in Rockford, IL with a serious infection draining into his stomach, on lots of IV antibiotics and needing surgery to take out a blocked stint and running into complications.

Donna Szoke – prayers for my neighbor who had to put her elderly dog down. Prayers for my cousin Bryan McMillan who passed away.

Kris Hayden – continued prayers for my Mother-In-Law Mary who is still in rehab struggling to heal from infection and weakness. Prayers for my friend Allen having another surgical procedure trying to heal from a knee surgery last November. Prayers for my friend's family who are battling covid. Prayers for my Church's VBS next week! Also, I am excited to have finished a 9month Ministry Course 'Pursue Kingdom Ministry' through the Lockport Legacy Vineyard Church. What a powerful and igniting course! I highly recommend it – it's practical training to help us, followers of Jesus, engage or re-engage in our pursuit to fully become the kingdom-building disciples and kingdom-building leaders Jesus invites us to be through identity, purpose, worldview, healing and more. Give me a call, I can help connect you. Next class starts in the Fall.

Continued prayers for Kent Ulmer and Mike Campobasso.

Dawn Brick – Prayers for good test results for 5yo great nephew Lincoln, who was in the ER with stomach pain. Possibly mono or EBV. Test results pending.

MaryAnn Lehman – RON turns 90 today! 6/18

Micki Thompson – today is my daughter Michelle's birthday. Prayers for Michelle to pass nursing school exams next Thursday. Prayers for my roommate Brent, had pacemaker surgery yesterday.
