“Hope For All Seasons”

Do you have a Spring itch? And I don't mean a seasonal allergy. No one wants that itch or discomfort. I mean that growing feeling which makes you want to do something creative. Make plans for your garden, make a new door wreath. April has always been a welcomed month for most people. Spring brings life back as we see our surrounding landscape change from brown to green. Some of us want to get some spring-cleaning done at home or plant some spring or summer plants. With this change in season, mother nature tells us that life is coming back.

This April is started by the celebration of Easter, when we bask in the renewed assurance that Jesus our Lord and Savior is alive and continues to be at work in us and through us. Giving us a contagious life-giving hope to our lives and hopefully through us to all those we encounter daily; our family, neighbors, and friends.

Our Christian Faith is unique in claiming LIFE-GIVING HOPE in all seasons of life. In Christ we are to look at life with the lens of Faith, we are called to “walk by faith and not by sight”. Unlike other religious or secular ideas who base their hope in good deeds or human successes, Christian Hope rested not on any person or achievement, but on God. Paul assure us, in Romans 15:13 "May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit."

I invite you all to be hopeful in all of your life's many dimensions, because God will eventually bring Life through all difficult and despairing realities, either in this life or in life eternal with God.

This is why Easter Celebration is the cachendo of the moment in the Christian calendar. It makes us rest in the work of God completed in Jesus Christ for the salvation of the whole world.

This is also why Easter Lilies are so symbolic of this Celebration. The Easter Lily with trumpet-shaped flowers is associated with the announcement of Jesus' resurrection. Their white color is associated with purity. There is a Christian legend, which says that after Jesus' death and resurrection, these flowers were found growing in the Garden of Gethsemane where Jesus prayed the night before the crucifixion. Tradition has it that the beautiful white lilies sprung up where drops of Christ's sweat fell to the ground in his final hours of sorrow and deep distress. Easter Lilies are also called the "white-robed apostles of hope."

Churches like ours, all over the world continue the tradition at Easter time by banking their altars and surrounding their crosses with masses of Easter Lilies, to commemorate the resurrection of Jesus Christ and Hope of life everlasting. What a beautiful symbol of a cosmic event. Jesus Christ - Our Hope in all Seasons, Amen.

Blessings,

Pastor Ayla Samson

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."
